

How to Get Involved in Athletics at Rogers High School

In order to participate in athletics at Rogers High School, students are required to complete the athletic clearance process. A student may complete this process by turning in all completed forms to the **building athletic coordinator** during the posted office hours prior to the start of the sport season. The athletic clearance process is outlined below.

1. In order to participate at one of the three PSD high schools, the following requirements must be met:

- A. Complete the **digital forms** found at <https://puyallupschools.rankonesport.com>
 - a. Athletic Eligibility Form
 - b. Parent Permission and Consent Form
- B. Submit a current **physical examination form** to the high school Athletic Coordinator. Most physicals are good for two years. The physical must be valid for the entire sport season. (WIAA #17.11.0)
- C. Submit a current **baseline concussion testing form** to the high school Athletic Coordinator. All Basketball, Football, Soccer, and Wrestling athletes must receive concussion baseline screening by/or under the supervision of an MD/DO/ARNP/PA-C/ATC who is trained in concussion management, prior to participation. Information can be found on the PSD website under Programs / Activities & Athletics.
- D. Submit a **Clearance Card** to the high school Athletic Coordinator. Students must submit a new Clearance Card every school year. These cards can be found in the Main Office at Rogers.
- E. If a student has a life-threatening health condition or needs access to emergency medications, then an **Emergency Action Plan** or **Current Medication Form**, signed by a physician, must also be submitted.
- F. Pay the **Athletic Fee** (\$75 per season) and **purchase a high school ASB Card** (\$40). These fees can be paid in person with the school bookkeeper prior to athletic clearance, or by using the EZ School Pay system at www.ezschoolpay.com (a convenience fee is charged). In either payment situation, bring your receipts with you to the Athletic Director during clearance.

2. Scholastic Grade Review:

The Puyallup School District requires that each student pass a minimum of five (5) classes and earn at least a 2.0 Grade Point Average on the previous semester's report card in order to gain initial athletic eligibility. Students must then maintain these standards throughout the designated sport season (**WIAA #18.7.0**).

3. Residency:

Each athlete is required to reside within the boundary areas of the high school in which they plan to participate. Transfer/Waiver rules will apply in certain situations. (**WIAA #18.10.0**).

Athletes **must** clear through the Rogers Athletic Coordinator in order to begin practice. If an athlete practices without going through the clearance process, he or she will be subject to athletic probation and/or suspension. If you have any questions, please contact:
